FORMAT OF RESPONSE: Pursuant to Section 701 of the RTKL, I request that records be provided in electronic format via email where possible. If any record exists in electronic form, please provide it electronically. If Franklin County Sheriff determines that any portion of a requested record is exempt, I request that the non-exempt portions be redacted and released pursuant to Section 706 of the RTKL, rather than the entire record being withheld.

NOTICE REGARDING DENIAL: Should Franklin County Sheriff deny any part of this request, I request a written explanation citing the specific statutory exemption(s) under Section 708 of the RTKL or other applicable law that justifies the denial, as required by Section 903. I am aware of my right to appeal any denial to the Pennsylvania Office of Open Records within 15 business days of Franklin County Sheriff's response or deemed denial.

I look forward to your response within the timeframe required by law.

Sincerely,

Austin McDannell
