RE: Right-to-Know Request – Flock Safety Cameras, License Plate Readers (LPRs), and Automated License Plate Readers (ALPRs)

Dear Requester,

This letter is in response to your Right-to-Know Request seeking records related to Hamilton Township's use of Flock Safety camera systems, License Plate Readers (LPRs), and/or Automated License Plate Readers (ALPRs).

After reviewing your request, Hamilton Township has determined that it does not possess any records responsive to your request.

Hamilton Township is a small, rural municipality with a population of approximately 11,466 residents. The Township does not own, lease, operate, or utilize Flock Safety camera systems, License Plate Readers (LPRs), Automated License Plate Readers (ALPRs), or any similar license plate recognition technology.

Accordingly:

- Hamilton Township has no contracts, agreements, purchase orders, invoices, payment records, grants, or data-sharing agreements related to such systems.
- Hamilton Township has no policies, procedures, operational guidelines, data retention policies, privacy assessments, or user access policies regarding such systems.
- Hamilton Township has no Flock Safety cameras or LPR/ALPR devices deployed within its ownership or operation.
- Hamilton Township has no statistical data, reports, or operational records concerning such systems.
- Hamilton Township has no meeting minutes, resolutions, ordinances, correspondence, or other records concerning the acquisition or use of Flock Safety cameras, LPRs, or ALPRs.

Because no responsive records exist, Hamilton Township is unable to produce records in response to your request.

If you have any questions regarding this response, please contact the Township Office.
Sincerely,

Sincerely,

Patricia L. Clugston
Secretary and Open Records Officer
